

Making Disciples of those **Nearest**, our **Neighbors** and the **Nations**

SEPTEMBER 2017

THE **TABLE**
Keeping Carmel Connected

Carmel Family,

This month we cross the halfway point of our journey through the scriptures called Root 66. On the real Route 66, that puts us in Adrian, Texas. That's just outside Amarillo, Texas (if you happen to know where that is) and at it's peak had a population of 250. On OUR Root 66 halfway point is the minor prophet called Micah. Our remaining time in the Old Testament is in the Minor Prophets. Each one in their own way shows our need for Messiah. We now enjoy what they so desperately longed for - Jesus Christ. God is faithful to His promises.

FALL DETOUR

Later next month (Oct 29 - Nov 26) we will pause our Root 66 journey to celebrate the 500th anniversary of the Reformation. We will study the "5 Solas" - five Latin phrases that emerged during the Reformation to summarize the Reformers' theological convictions about the essentials of Christianity - that mark this significant landmark in church history and started when Martin Luther wrote his 95 theses in Wittenberg, Germany. As we enter December, we'll return to Root 66 with the gospel of Matthew.

OCTOBER MARRIAGE SUMMIT

We are so excited to host our Marriage Summit on Saturday, October 7 with Jim and Suzi Kallam as guest speakers. Jim is the Sr. Pastor at Church at Charlotte where he has served for 41 years. He and Suzi are our dear friends. If you are married, please make every effort to be here for that strategic Saturday morning. It is important to invest and refuel your marriage. Got kids? No need to book a sitter! We've got a super Saturday morning planned for kids 6 weeks - 6th Grade!

PRAYER FOR THIS NEW MINISTRY SEASON

This past year has been a great demonstration of God's faithfulness to us at Carmel. It was a year of waiting and watching as the Student Discipleship Center was built. How wonderful to see it now open and filled with students! Now it's time to roll. To accelerate our mission of making disciples. Let's pray for a fresh wind of the Holy Spirit to blow this year. Let's grow this fall. Let's dive into God's Word everyday. Let's connect with people at Carmel and in our community. Let us never stop seeking to better know our Heavenly Father.

Love you Carmel,
Pastor Alex

Student Center Dedicated and now OPEN!

On Sunday, August 20 close to 1,000 people gathered for a time of prayer and dedication of the new Student Center and Gym. Pastor Alex, alongside former Carmel pastors Dr. Don Bouldin and Dr. Wayne Poplin, led the crowd in prayers of thanksgiving for the generations that laid the foundation for what Carmel is today and commitment to disciple future generations in this space. The dedication culminated with the baptism of 7 students and distribution of prayer tags with first names of all Carmel 6th-12th graders.

Midweek is a Big Deal!!!

We have some incredible plans for Wednesday nights at Carmel. Our students loved our worship services at Camp Carmel this summer and that same energy, praise, and teaching is exactly what is planned for Midweek. We will be together in the new Student Center from 6:15-7:45pm. We will get to hang out together, play games, enjoy our new cafe, and everything else that our new space has to offer. A key adjustment will be that our Midweek worship service will be from 7:00 - 7:45pm. This change will help all of our students that are in after-school activities, and those that are serving in Preschool and Children's ministries, join us. Students will also be welcome to stay and hang out afterwards. Our first Midweek service will be September 13.

DC is Meant to be Dynamic.

In the past five years, we have made some great strides in making Discipleship Community a place where we are intentional in studying Scripture, prayer, and every student is known and loved by an adult leader and a small group. Those things will only get better in the days ahead. In the new space every grade will have a room where students can build community within their grade and the Bible content will be specific to our Milestone Strategy to lead students toward an abundant Life in Christ. The space is going to allow leaders to be much more creative in how we disciple our students.

N A V

Nav will be Personal.

We invite our Students to journey together through studying God's Word in a transparent environment on Sunday nights this next school year. Nav will be a Bible study where Students spend time each week studying the Word for themselves and come together with their friends to share what God has taught them in the past week. MS groups will meet here at Carmel and HS groups will meet in homes. Nav will take place for 10 weeks from 6:30-8:00pm in the Fall and again in the Spring. Nav groups will be gender based, but mixed grades (MS 7-8, HS 9-12). Students will sign up for Nav and each group will be capped at 10-12 students. Sign ups are available now at carmelstudents.org.
