

**Loving Where You Live:
Loving Your Neighbor Through Prayer Walking**

Prayer walking is simply putting feet to your prayers. It can also be described as intercession by praying on-sight with insight. We can see in 1 Timothy 2:1-6 that it is "good, and it is pleasing in the sight of God our Savior, who desires all people to be saved and to come to the knowledge of the truth."

Before you leave the house:

1. Ask God to forgive any sins so that you are right with Him.
2. Ask God to open your eyes to see what you need to see and pray for.
3. Set a time - we make time for what is most important to us. (Men, own this!)
4. Pick your partners!

While prayer walking:

1. Open your mouth - articulate your prayer and pray with expectancy and faith.
2. Open the Word - one of you can read and one can pray.
3. Open your ears - Listen to the Holy Spirit as you walk.
4. Be on scene without making a scene.

When you get back home:

1. Make notes or journal anything the Holy Spirit spoke to you.
2. Make a decision to practice prayer walking often.

To Discuss Today

1. Do you believe that your prayers make a difference? Why?
2. How does prayer walking impact your investment in your neighbors?
3. When will you prayer walk this week?
