

About Chinese school:

Carmel Chinese Academy (CCA), part of Carmel Baptist Church Chinese Ministry, was established to serve the need of communities both in and outside our church. It welcomes everyone who is interested in Chinese language and Chinese Culture to join us with no regard to race, nationality, gender or age. It is our desire to not only enhance the Chinese language abilities of our students, but also to help build faith and moral character and to encourage correct behavior.

Our teachers are all college graduates with at least 3-4 years of Chinese teaching experience in the USA. In order to have enough individual attention our class size is limited to 8-12 students of each class. We also have special classes for special needs such as Chinese for Adults. Currently we have over 120 students enrolled in 18 different classes from preschool to 8th grade. Students are assigned by our faculty staff to appropriate classes according to their individual mastery of the Chinese Language.

CCA follows Charlotte-Mecklenburg public school schedule and consists of two academic semesters: fall semester from August to December, and spring semester from January to May. We also sponsor picnics, sport events and traditional Chinese holiday celebrations to enhance the knowledge and understanding of Chinese and Chinese culture from their own experience. Classes meet each Sunday from 1:00 pm to 2:30 pm at Carmel Baptist Church.
