

Essential 7: Transformational Community

***“This is my commandment, that you love one another
as I have loved you.”
John 15:12***

Genuine biblical community exists where followers of Christ do life together. It is a place where believers gather and remove the mask creating an atmosphere of openness, safety, and biblical accountability. It is a place where Christians love one another following the second greatest commandment. Biblical community is an intentional investment in other Christ-followers and a lifelong path of biblically centered existence together.

Am I Connected and Committed to a Discipleship Community?

As a member of the church, remember that you are not a spectator on the sidelines, but a participant in the mission. At Carmel, our Discipleship Communities are our primary discipleship and mission communities. Knowing that, are you committed and connected to community? If so, are you growing in this DC? Are you willing to be vulnerable and open in your DC? Are you as committed to the discipleship of other DC members as they are of yours?
