THE **TABLE**
Keeping Carmel Connected

October 2016

Carmel Friends and Family:

When we held the Sacred Assembly and then kicked off the Loving Where You Live series last month, we had no idea about the weeks that would follow. But God knew.

As believers, we can look backwards in our lives at various times and see how God has been at work all along preparing us for new seasons. The Holy Spirit series this summer, the Sacred Assembly and now our series focused on Neighbors were all His work to prepare us for such a time as this, for this season in our lives, in our families, on the street we call home and in our city.

The most important thing we can do right now as a body of Christ and individually is pray. Let's keep falling on our knees and seeking His will for our lives and our city - and even for our very next steps. I challenge you to check out Page 7 and be intentional about taking time this month to pray for your family, for hurting people, for our nation and for the election.

This excerpt from a prayer in Focus on the Family's 31 Days of Prayer is a great reminder:

"Father in Heaven...Remind us that it is not our job to direct the destinies of nations, but simply to shine for You, reflect Your image and bloom wherever You choose to plant us."

Carmel, as a church with a name that means "orchard or garden," let's continue to bear fruit for Him in our homes, on our streets, and in our city!

Love you Carmel,

Pastor Alex

Church Bylaws – Elders Propose Revision

In late 2013, the elders entered into a strategic planning process and developed four goals which were presented to the church. One of the four goals was to revise the governance documents of the church (the others pertained to generous living, church planting and campus development).

The bylaws revision is a culmination of the work to update the bylaws; a document written originally in the 1970's and edited several times since then.

At the September 7 Quarterly Business Meeting, the Elders presented a motion to revise the church bylaws. Per the bylaws, the motion was tabled and referred to the Nominating & Governance Committee for review and the Carmel Family has the opportunity to read and further review the proposed changes. At the next business meeting, November 16, the motion to revise the bylaws will be presented again for the church's consideration. Carmel Baptist Church is a congregationally-governed, Elder-led and Deacon-served Body of Christ.

Printed copies of the proposed bylaws are available at the church office or you can find the electronic documents (including additional resources) at carmelleader.org.

Email your questions to the Elders at elders@carmelbaptist.org.

The Elders invite you to a **Question & Answer (Q&A) session** regarding these proposed revisions on Tuesday, October 4 at 7pm in D101 (across from the Preschool desk on the main level of the church).

Carmel stands united with Billy Graham Evangelistic Association's **Decision 2016** and Focus on the Family's **31 Days of Prayer** movements. You're invited to join forces along with hundreds of other churches across the nation as we pray for our families, neighbors, schools, nation, election 2016 and beyond!

Pray with the Capitol at Carmel - Oct 13 @ 12:00pm

Franklin Graham's *Decision America Tour* has traveled to the steps of 49 United States capitols to proclaim the Gospel and challenge Christians to boldly live out their faith through faithful and fervent prayer. As the tour reaches it's 50th and final stop at the North Carolina state capitol (our capitol!), we, the Church, have the opportunity to stand together in allegiance, not to a political party but to Almighty God.

On Thursday, October 13 at 12:00pm, **everyone** (both men and women) is invited as Daughters of the King hosts a **simultaneous prayer gathering in the Prayer Room** to seek peace, unity, healing and restoration for our land.

Stay tuned for more prayer opportunities

Sunday Mornings

Lower Level Preschoolers: God's Faithfulness

This month our youngest preschoolers will hear several stories about God's faithfulness. God was faithful in keeping Noah and his family safe, reuniting Joseph with his family, protecting baby Moses, and He is faithful to us too!

Threes - Kindergarten: God Can Use Little Kids In Big Ways

This month, we will explore the lives of some pretty memorable kids in the Old Testament...like the boy who was crowned king at age 7, the servant girl who delivered a life-changing message, and the young boy who heard a strange voice in the night! Each Bible-time kid will remind us that God can use little kids in big ways. This month's special words: "God helps me do big things!"

Parents: Consider WEE Connect

WEE Connect is a Sunday morning Discipleship Community that meets at 9:30am in D101 for families with children at the WEE School. Join us here in addition to Worship!

Wednesday Nights

GROW on Wednesday Nights

Come GROW with Us! The children have begun walking through the Bible in A-B-C style. Each Wednesday we focus on a letter and all the activities, songs and worship time focus around that theme. In October the children will have the opportunity to begin memorizing Bible verses to go with each of the stories.

The children will also be given homework assignments (optional) to go along with Pastor Alex's sermon series on Neighbors.

For Mom & Dad

Praise for Milestone 1: Parent/Child Dedication

We added 2 new components to our September Parent Child Dedication time. Between the services we enjoyed food and fellowship with the participating parents, siblings and extended families members. We also had a photographer available to capture family shots and all the special moments we shared together.

MOPs (Moms of Preschoolers)

Tuesday - October 4th @ 7:00pm: It's Hobby Night! Enjoy fellowship over cookie decorating, wreath making and other crafts or listen in as amazing moms lead us in stress reduction, nutrition, and at-home fitness ideas. Come hungry - dinner will be served. Email KatieK.Menard@gmail.com for more information or check us out on Facebook (Carmel Baptist Church MOPs). We'll also meet on Tuesday, November 1 and Tuesday, December 13.

Sunday Mornings

What Matters Most!

The goal of parents and leaders is not to raise superheroes or super kids. But to raise **everyday heroes** who can face the world with a different kind of **courage** – courage to stand up against bullies, courage to speak out for others who may not have a voice, courage to do the right thing even though the rest of the world seems to be pushing them in the opposite direction. There will be times when we're going to be afraid, but when we believe and trust in God, we can be courageous. everyday heroes, because of who God is. When we show courage, we point others to God, who is the source of courage.

WHAT MATTERS MOST?

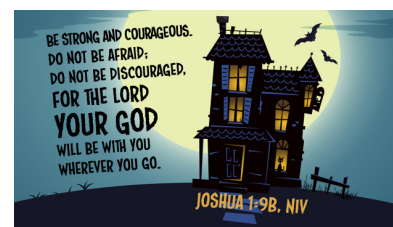

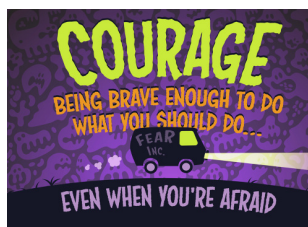

Wednesday Nights

Famjam & Kidjam

Wednesday Night in October will focus on:

Courage: Being brave enough to do what you should do, even when you're afraid.

New CarmelKidz Team Member: Wendy Van Ginkel has joined the CarmelKidz staff to help support our Wednesday Night Kidjam times! Wendy will focus on helping CarmelKidz connect to their peers and leaders as they DISCOVER how to live LOUD for God and Show God's character in their everyday life.

Carmel SERVE Weekend

The Sunday morning Discipleship Communities have been invited to adopt one of Carmel's ministry partners to Love & Serve throughout the year. This ongoing focus with one organization will allow DCs to build relationships with the organization, meet unique needs that may otherwise go unmet, and ultimately have a greater Kingdom impact because of the level of investment. This new approach kicks off this month with Carmel SERVE – a focused time of connecting with and serving our ministry partners. Here are just a few of the Carmel SERVE Projects happening **October 21 – 23**:

DC Leaders at Project 658 Preview Event

- Prayer Walking at **LaTrobe/ PRC**
- Cooking Class for Families at **Jackson Park**
- Bingo Night at **Carrington Place**
- Preparing and Serving Meal at **Charlotte Rescue Mission**
- Apartment Ministry with Refugee Families through **Project 658**
- Writing Cards to Women in Prison through **Changed Choices**

Not in a DC? No Problem! Email Angelas@carmelbaptist.org to get connected to a Carmel Serve Project.

Wednesday Night Recharge Opps

Come get equipped to love well with these Recharge classes:

Wednesday October 12: *Hi My Name Is*

Making a disciple is a very personal endeavor. It begins and ends with relationship. That is why we say "Discipleship Begins by Remembering a Name." We will be discussing simple ways to build relationships and demonstrate the love of Jesus with the lost, broken, and hurting people around us.

Wednesday October 19: *Where Do I Go & What Do I Say?*

On the weekend of October 21st- 23rd, Carmel DCs will go throughout Charlotte to love and serve our Neighbors Ministry Partners. Before we scatter throughout the city, it is imperative that we pray and prepare for our time serving. Learn exactly what your team will be doing, how we can best love and engage with people while there and most importantly pray for our ministry partners and our time this weekend. Not in a DC but want to participate? Please come and connect with a group that is serving.

Ukraine Partnership Update

Several years ago, Carmel helped launch a church planting school at Ukraine Baptist Theological Seminary (UBTS). On a recent trip, the Carmel team was excited to see how UBTS is cultivating partnerships with other US churches modeled after their Carmel partnership to encourage and support upcoming church planters.

At the same time, Carmel has come alongside Irpin Bible Church (IBC). IBC has grown significantly in the past few years to become a church with significant influence both with Ukraine churches seeking to become more effective as well as with the unchurched who are far from God.

Our partners in Ukraine remind us that following Jesus can come at a cost and should challenge us to live out the Gospel with intentionality here in Charlotte and beyond.

Dominican Republic in February

Under the leadership of Charles Cranford, a Carmel team will return to DR (Feb 18 - 25, 2017) to continue to provide vocational training to local laborers as they build a Christian school for the children of field workers. They'll also share the Gospel with those who work the fields, prayer walk throughout the week and conduct worship services in a few villages. The deadline to sign up is Thursday, November 3 and a required team orientation meeting will be Sunday, December 4.

For more information about our partnership with UBTS and IBC or the Dominican Republic Mission Trip visit carmelbaptist.org/serve/nations or contact Alesha McNally at alesham@carmelbaptist.org.

Redeem Halloween!

Within the Christian community, there has always been a polarizing debate about Halloween. Do we as Christians reject it, receive it or redeem it?

Rejecting it would mean we turn our porch light off, pretend October 31st, does not exist and shun those who participate in a day dedicated to eating too much candy. **Receiving** it would mean we simply go along with what our culture does, participating mindlessly. I think both of these fall short of what God calls us to as his followers. Practically, the question remains what you'll do on that day. For our family, we've chosen to participate with our neighbor and seek to **redeem** Halloween. Here is one thing we're doing:

Stand out in our driveway. Be out front to say hi to everyone, talk to them. This is a great opportunity to meet your neighbors. Everyone is out walking around. Not sure how often that happens in your neighborhood, but it isn't an everyday occurrence. Being present in your neighborhood is a great step forward in being on mission in your neighborhood.

Excerpt from Redeeming Halloween (Joshua Reich)

To learn about other practical ways you and your family can Redeem Halloween, visit the Gathering Space on October 23rd or 30th!
